## TROPHY AWARDS AUTUMN 2021

Dear Parents, Relatives and Friends,

At the end of every term, the teaching team in each class award trophies to three children:

**Perseverance Trophy, Maths Trophy and the English Trophy.** The trophies are not awarded on ability but for effort and excellent attitude.

It has been my pleasure to award the trophies this afternoon and the children received huge rounds of applause of congratulations from their classmates. I would like to say a fantastic well done to the children and also to all children in our school, who have worked incredibly hard this term and we are very proud of all of you!
