OPTION III: Monthly: Tuition balance is paid in monthly installments through an ACH or Credit Card Authorization Plan, beginning in May, 2022 and ending in April, 2023. There is not a January payment due since a tuition deposit is due with enrollment contracts for the upcoming school year. A \$310 administrative fee is charged to cover the costs of processing. To indemnify the School in case of student withdrawal, the cost of tuition insurance (2.1% of tuition) is due with the monthly installments. With this option, you are required to participate in the Tuition Refund Insurance Plan.

Technology Fee: All students in K5 - 12th grade will be billed a technology fee, which is not included in the tuition amounts listed above. This additional fee will be added to your payment plan that was selected on the enrollment contract.

Incidental Fees: All other fees, including yearbooks and PTF memberships. While Elementary textbooks are included in the tuition, Middle School and High School students will need to purchase textbooks from the Saint Shop or will have an online digital textbook access fee applied to their account per class. ESS Tuition: An additional tuition fee of \$3,200 will be assessed for each student enrolled in the ESS Program (Educational Support Services). This is a program for students with mild learning differences. The courses a student takes will be determined by school personnel.

Financial Aid:** Financial Aid is available to those who qualify by evaluation through the School and Student Services. After the report of family contribution is received from the SSS, financial aid is made according to a predetermined standard percentage on a first-come, first-served basis.
