

January 3, 2021

Dear Scholars and Families,

HOPE Christian School Fortis will temporarily change learning modalities to be virtual only from Tuesday, January 4, 2022, through Friday, January 7, 2022, due to several teachers and staff testing positive for COVID-19. We are planning to revisit the conversation of re-opening our doors on Monday, January 10<sup>th</sup> after deliberating with our network, and will provide you an update on status by 4pm Friday January 7.

During this temporary virtual learning period, students will use their school-issued Chromebook to do the following to continue learning:

- Teachers will begin doing live instruction for the following subjects based on their class schedule which can be found on Class Dojo: Word of God, English Language Arts, and Math classes
- When scholars are not receiving live instruction, as mentioned above, they should complete Lexia, Zearn, and/or IXL depending on their grade levels:
  - k5-6<sup>th</sup> grade scholars should complete 4 Zearn lessons a week
  - 8<sup>th</sup> grade scholars should complete at least 300 questions a week on IXL
  - Every scholar should login to Lexia to complete their assigned minutes weekly
- Complete the daily attendance ticket for each class on Google Classroom
- Find daily assignments on the Google Classroom stream and assignment tab
- Complete and submit daily work on Google Classroom

We thank you for your continued support and understanding as we strive to provide high quality education in a safe and healthy school environment. We hope to be able to resume in-person instruction on Monday, January 10<sup>th</sup>, 2022.

Blessings,

Breonna Stone, Principal HOPE Christian School Fortis
