

Natural Resource Report

Morningside Elementary School

RedFish Recycling is proud to announce that the recycling efforts of Morningside Elementary School between July 1, 2021, and December 31, 2021, has kept over 11,450 pounds of waste from going to the landfill.

As a result, the efforts of Morningside Elementary School are improving the environment by saving:

65
Trees

19,117
Kilowatt Hours of Energy

21,350
Gallons of Water

47.77
Cubic Yards of Landfill Space

Thank you for helping us preserve our environmental resources for future generations.

(Based on the average composition per ton of single stream recycling collected. Calculations are based on facts found on the following websites: Environmental Protection Agency, Northeast Michigan Council Government, Honolulu Recovery Systems, and Santa Barbara County Resource Recovery and Waste Management Division)
