Principal's Den

Dear LES families,

Happy New Year! I hope you had a wonderful break. My staff and I are so excited to welcome our little lions back home this week! We are looking forward to all of the great things this new year will bring.

Because we have already seen some snow this semester, I want to remind you of our FSSD winter weather protocols. When schools are closed, be sure to look for Franklin Special School District and not Williamson County for closure information. While FSSD sometimes closes schools when Williamson County Schools does, that's not always the case. The district will send out a phone call to families and usually post it on the FSSD Twitter and Facebook accounts.

Keeping our students and teachers healthy and in school is my top priority. With the recent increase in Covid cases, we will not have visitors at LES until the case count comes back down. I know how much being able to volunteer in the classroom means to my families, and I appreciate your support as we work together to keep students and staff as healthy as possible.

Respectfully,

Mrs. Patton

Program Spotlight

This month's spotlight is on our wonderful ESL (English as a Second Language) program. Mrs. Klein, Ms. McQuirk, and Ms. Winn make up our EL team. These teachers are highly trained and specially certified in teaching language acquisition. EL teachers work with small groups of students whose primary language is not English. Lessons are designed to meet the needs of students with regard to speaking, listening, reading, and writing in English. Our EL classroom environment is designed to ensure students get the support they need in order to be successful as they learn English. We are grateful for our dedicated team of EL teachers who help to make Liberty Elementary a great place for all students to learn and grow!

Teacher of the Year!

Please join me in congratulating our Liberty teacher of the year, Mrs. Melissa Lutche! She is an exceptional teacher with 23 years of experience in the classroom. Our school family is lucky to have her teaching and caring for our little lions!
