

Application for Directed Research

Directed research allows students to study a topic of interest and/or concern. It may involve directed reading and/or experimental work in consultation with and supervision by a faculty member. It may be repeated for credit.

- The student must have a cumulative GPA of 2.00.
- Research openings are subject to availability each semester.
- Forms are due by the end of add/drop each semester. Late forms require an academic appeal.

Name _____ Student ID _____

Phone _____ Campus Box _____ Email _____

Course name/number _____ Number of Credits _____ Semester, year _____

Instructor _____

To be completed by supervising instructor (may attach course syllabus in lieu of completing below):

Research Summary:

Research Objectives:

Assignments, texts, meeting schedule:

Method(s) of evaluation:

Signatures:

Student _____ Date _____

Instructor _____ Date _____
