

Eagle Vision News – January 4th, 2022

Centerville Families,

I hope that everyone had a safe, peaceful, relaxing holiday break! Welcome to the new year, 2022. With your support, we are nearly halfway through the year. My hope is that as we move toward third term we can focus on our strengths and look forward to new and exciting challenges ahead.

We have a few days on our calendar this month that you ought to be aware of.

- Thursday, January 13 – Early out day
- Friday, January 14 – Early out day, also end of second term.
- Monday, January 17 - Martin Luther King Jr. Day. We will not hold school that day
- Tuesday, January 18 - Professional Day. There is no school for students.
- Wednesday, January 19 – School resumes its normal schedule.
- Please be aware that some schools have parent teacher conferences in January, but we will not have ours until March 2 and 3.

These dates will be on our school calendar which can be found both in this newsletter and on our website.

Mid-year Acadience Benchmarks for Math and Reading runs January 10-31st. This assessment used to be called Dibels but was recently changed to Acadience. It only takes a few minutes to complete the evaluation and we appreciate all who are healthy enough to be at school to be here and participate.

In other news:

- I would like to welcome both Mrs. Sky Wisner and Mrs. Kathy Nelson who will be team teaching in our third-grade class previously taught by Ms. Angela De Moura. They are both outstanding teachers who know the students from both working here and from the community. We are proud to have them with us at Centerville Elementary.
- We are still looking for a prep-time teacher to replace Mrs. Jamie Dearden who resigned last month. If you or someone you know are interested in the position, please contact the school office.
- We will be having a hearing screening on Tuesday, January 4 during the school day for the following grades: PreK, Kindergarten, 1st, and 3rd grades. Everyone who will participate in this screening should have been contacted previously via email. Any who do NOT want to have their child's hearing screened should contact kfelix@dsdmail.net.

Mr. Holmes
