

St. Amant High PBIS Newsletter

Success Through Actions... The STA Way

What are some PBIS Expectations on the STA Campus?

School Wide Expectations

- Be Respectful
- Be Courteous
- Be Prepared
- Use conversational voice
- Clean up after yourself

Classroom Expectations

- Be Respectful
- Be on time
- Be Prepared
- Follow dress code

PBIS Parent Survey Results

During Prep Week, parents were asked to answer a few questions about PBIS. Below are a few of the questions and parent responses. Thanks to all who took time to provide us feedback. We are using your feedback to improve our communications with parents and incentives for students.

1. I am familiar with PBIS (Positive Behavior Intervention System) on the St. Amant High?
Yes: 92.31% No: 7.69%

2. PBIS is a proactive approach to establishing the behavioral supports and social culture for all students in a school to achieve social, emotional, and academic success. If you are familiar with PBIS, do you think our program has a positive effect on our school?

Yes: 86.49% No: 13.51%

3. As part of PBIS, students receive different monthly rewards. Currently, students are rewarded with snacks or free dress. List some other rewards you feel students should receive.

Suggestions included: Free dress, bonus points, free admission to games, drawing for preferred parking, homework passes, concessions, and fun day.

August Gator of the Month Breakfast Congratulations Gators!

Congratulations Seniors August PBIS Class Winners

Data Page

August Focus and Data

The PBIS focus for August was wearing an ID. IDs were distributed to students during the first week of school and it is an expectation that students wear their IDs daily as a safety policy.

Students are reminded daily about wearing their IDs. The consequence for students not wearing an ID is a Behavior Clinic for each offense.

If a student forgets his/her ID, a temporary ID can be purchased in the Commons for \$1 before school each morning.

Parents, your support and help in reminding students to wear their ID is appreciated.

August ID Violations

August Discipline Data

Each month discipline data is collected and analyzed by the PBIS team and the administration. The PBIS goal for this school year is to share with parents, faculty, students and other stakeholders some results of our reports targeting specific concerns. For the month of August, the infraction of "Possession, consumption, or use of electric cigarettes, vape pens, e-liquid, cigars, etc" received the highest number of referrals. The consequence for this is a minimum of a Saturday detention but may be as severe as a suspension. Administration discussed this issue and are concerned at the increase in Juul use on our campus this year. Please read through the information below about e-cigarettes and talk to your child about the risks and consequences using them.

What is an E-cigarette?

E cigarettes are devices that heat a liquid into an aerosol that the user inhales. The liquid usually has nicotine and flavoring in it, and other additives. The nicotine in e cigarettes and regular cigarettes is addictive. E cigarettes are considered tobacco products because most of them contain nicotine, which comes from tobacco. E cigarettes are not safe for youth.

E cigarettess are also known as Vapes, Vape pens, and Juuls.

What does an E-Cigarette look like?

There are many different forms of e-cigarettes but the most popular e-cigarette devices seen on campus are Juuls. They look like USB flash drives used by students to save school work. All JUUL e-cigarettes have a high level of nicotine.

Facts about E-cigarettes and the use of them

- A single JUUL pod contains as much nicotine as a pack of 20 regular cigarettes.
- 11.3% of high school students and 4.3% of middle school students have used an e cigarette in the last 30 days.
- 40.0% of current e cig users have NEVER been cigarette smokers.
- E cigarette aerosol contains harmful and potentially harmful substances, including nicotine, heavy metals like lead, volatile organic compounds, and cancer causing agents.

September PBIS

**September PBIS Focus:
IDs and Dress Code**

**Reward Date: October 3rd
Cookies @4th block**
