Teacher of the Year

Congratulations to Aaron Pendleton, selected by our teachers to represent them as East Ascension High School's Teacher of the Year! Mr. Pendleton is in his sixth year of teaching and his fourth year at East Ascension High School. He is currently teaching Geometry and Algebra III. He has a Masters of Art in teaching from the University of New Orleans, Bachelor of Arts in Philosophy from Middle Tennessee State University, and a Bachelor of Business Administration from Henderson State University. This is his third year as sponsor of the Philosophy Society, which is a philosophy based club he founded at EA to promote higher levels of awareness, perspective, and the healthy and respectful sharing of ideas. He loves his wife of ten years and his three children. He also loves every student that crosses his path and is dedicated to helping each one grow to become the best version of himself/herself.
We are proud to have him representing our teachers and our school! Thank you, Mr. Aaron Pendleton, for your dedication to our students! We are lucky to have you as part of our Spartan family!

East Ascension High School gets an "A"

Dear Spartan Family,

We have some fantastic news to share with you! Today, the Louisiana Department of Education released School Performance Scores (SPS) for the 2016-17 year. East Ascension High School achieved an overall score of 105, earning an "A" rating for the second year in a row!

We are very proud that our school grew 3.9 points despite the adversity our community faced with the 2016 flood. In particular, our school is very proud of yet another year of substantial growth in the area of ACT. We achieved a score of 96.3, which is a 7.7 point increase from last year. What is most noteworthy, however, is the growth of the ACT quadrant from the beginning of the 2016-2017 school year. The graduating Seniors began the year with a baseline ACT Index score of 54.7. They grew to achieve the 96.3 in one academic year, which is an astounding growth of 41.6 index points! We attribute this growth to our focused ACT preparation using a number of classroom and online strategies and resources. Our goal is to raise each graduating class's baseline data, which would be a positive indication that we are better preparing our students to be successful on the ACT earlier and earlier in their high school career.

We are also proud that our Graduation Index also increased. The Graduation Index is also known as the "strength of diploma". Schools are awarded extra points for students who graduate with having taken courses that go above and beyond the requirements of a standard high school diploma. EAHS students performed very well in this quadrant of the SPS, earning an "A" rating on the Graduation Index.

Our graduation Rate also improved from last year, and we are continuing our improvement efforts for both the Graduation Rate and the End Of Course exam quadrants. Teachers and counselors are collaborating with one another to ensure students not only stay in school, but are also successful, on-time graduates who are prepared for any postsecondary or career choices they may make.

For more information about the state's scoring system, visit www.louisianabelieves.com or www.louisianaschools.com.

We are very pleased with the work we are doing and the success we are experiencing at EAHS. We are also appreciative of the support we receive from our parents and community members, which serves as an integral part of our growth and success. Congratulations to our students, teachers, and staff for pursuing Excellence Always!

Sincerely,

Traci S. McCorkle
Principal

CLUB SPOTLIGHT:

PHILOSPHY SOCIETY

The Philosophy Society participates in writing competitions and lectures. This club encourages its members to be open-minded and non-judgmental. The club consists of students interested in hearing and understanding opinions of others. If you are interested in joining, contact Mr. Aaron Pendleton in Room 216. The club free is $20.

We Are Sparta!

Congratulations to Bailee Chapman who received a full bowling scholarship to Alabama State University!

Congratulations to the Lady Spartan Volleyball team on a great season!

Congratulations to the Varsity Football team on their win against East Jefferson this past Friday!

Good luck in Round 2 against Live Oak!

East Ascension High earned $26,700 on October 28 by selling 128 mattresses in our sixth annual Mattress Sale.

Nineteen organizations participated in this one-day sale. EA has earned over $180,000 in our six years of participating in this event. We are extremely grateful to our community for supporting us in helping to fund raise for multiple projects on our campus.

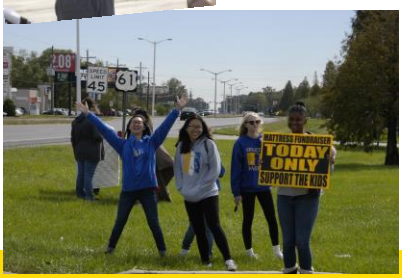

Next year's sale is October 27!
