Sharing the Excellence

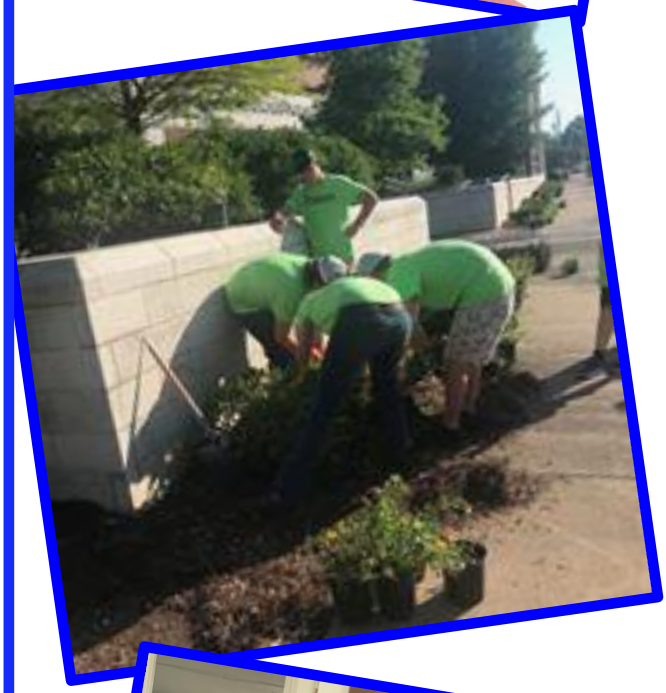

Summer Break…. Not for this group

East Ascension High School FFA awarded 6th best overall Chapter.

State Convention- June 3rd-7th was a record week for our chapter. We celebrated its success through service, recognition, and election. Our 7 members participated in the state day of service improving the city of Alexandria's Performing Arts Center. Our very own Kailee McDonald was elected to Area IV Secretary. She will be representing not only our chapter but our Area as well. We are very proud of this accomplishment! She will continue to work all year to serve our Area and increase involvement. This is our 1st area officer in over 15 years! Our chapter received 3rd place in the Living to Serve Challenge. This is a service challenge through our state. The chapter with the most service hours were recognized. Our chapter participated in over 11,000 hours receiving the 3rd place out of the whole state. **In addition to being elected Gold Status, we were 6th best overall chapter in the state this year, out of over 200!!** We are very proud of all our hard work and accomplishments. We are ready to continue to make 2018-2019 even better!

Area IV Leadership- July 5th-7th the EA FFA attended Area IV Leadership Camp! Kailee McDonald served as our Area IV Secretary in her first official capacity by facilitating her first workshop on relationships with sponsors which we were successfully able to bring back to our own chapter! Peyton Wagner received an inspirational manual from the State Vice President representing Area IV, Lane Degenhardt. Amanda Hall proudly represented our chapter in a variety of officer workshops. We had the distinct pleasure of entertaining the first African American Female National FFA President, Bree Holbert, from California! We look forward to continuously using these skills in our own chapter and making it our best year yet!
