BULLDOGS ARE RESPECTFUL & KIND

Promoting a Culture of Kindness Through Character Education

"No act of kindness, no matter how small, is ever wasted." - Aesop

The "Bulldog BARK" program was created to promote a positive environment where our students focus on their behavior, academics, respect toward each other and their relationships with their community. Our entire school will focus on character traits that work together to make Gonzales Middle School a GREATplace to be!

* Each month we will focus on a different character trait.
* PE teachers will reinforce each character trait throughout the month.
* Teachers can write Bulldog Brag Reports for students who exhibit the Monthly Character Trait.
* Character traits will be displayed in classrooms, student areas, newsletters and social media.
* Students will receive Bulldog Bucks and have an opportunity to be nominated for "Student of the Week/Month" when they demonstrate these positive character traits and show positive behavior.
