Spanish Dual Language Programs 2022-2023

THE PROGRAM

Dual Language Immersion is a unique educational model where children learn to think, read, write and communicate naturally in two languages: English and Spanish. Native Spanish and native English speaking students study both languages beginning in TK/K through 8th grade, to be biliterate in both languages.

We offer two Dual Language programs to choose from:

Two-Way Bilingual Immersion (TWBI) Del Roble and Christopher

Two-Way Bilingual Immersion is a program option in OGSD. Applications are through the Program Option Applications for TK and K only. This is for Native Spanish and native English speaking students. Students in grades other than TK and K can enter on a case by case basis.

One-Way Bilingual Immersion Edenvale

One-Way Bilingual Immersion is a program option in OGSD. Applications are through the Program Option Applications for TK and K only. This is for Native Spanish speaking students. Students in grades other than TK and K can enter on a case by case basis.

THE BENEFITS

Empowers students to achieve the highest academic, social and linguistic skills.

Common Core Content Standards for grade level competencies in all subject areas in both English and Spanish.

Learning a second language stimulates the brain to develop higher-level reasoning skills.

Children who are educated in two languages have stronger self-esteem with more tolerance for, and more interest in, other cultures.

THE GOALS

To develop language proficiency in English and Spanish for native English speakers and native Spanish speakers.

To ensure academic excellence as outlined in the school district's core curriculum.

To cultivate an understanding and appreciation of diverse cultures through the district's curriculum.

To empower parents to become active participants in their children's education.

PATHWAY TO THE SEAL OF BILITERACY AWARD

The State Seal of Biliteracy recognizes students who have studied and attained proficiency in two or more languages by high school. At Oak Grove School District, we created a pathway for students to be recognized for their successful academic achievement in English and Spanish. Students who participate in our Dual Language programs will have the opportunity to obtain the Pathway to the Seal of Biliteracy Award.

The intent of this award is to encourage students to continue their journey towards biliteracy as they progress through middle school. Students who meet this local criteria will be granted the Pathway to the Seal of Biliteracy Award at the end of fifth and eighth grade.
