**8.2.22 2.30-7.00**

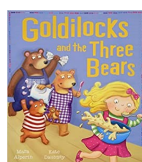

**Last day of Term**

**11.2.22**

**Inset Day 21.2.22**

#### Literacy

We will continue to explore stories around numbers and space such as Whatever Next and Aliens love underpants. As well as retelling stories like Goldilocks, we will be developing our spelling to write labels, captions and simple sentences.

#### Maths

This term we will be exploring numbers in different ways. We are planning a walk in the local environment where we will spot numbers, sequences and patterns. We will be developing our understanding of numbers through talking about what we have found out and how we have solved problems. We will also be learning some new number rhymes and poems and begin using the language of addition and subtraction when making amounts.

#### Outdoor Learning

Outdoor learning will begin this term. You will receive a letter when it is your child's turn to take part. This will take part on a rotation basis across the rest of the year and you will be invited to bring in some old clothes and wellie boots to change into for the duration of their sessions.

#### Reminders

##### Number dress up day

To enrich our Learning Journey we are inviting your child to come to school dressed as a number! It may be on their favourite jumper or football shirt. Maybe they could come dressed as a clock or a playing card? They could be a character associated with a number.

#### Wider Curriculum

This term we will be continuing to find out more about the season of Winter and observe this first hand when closely observing the natural environment on our visit to the woods and walk around the local area.

We will explore making simple maps and comparing materials used for the 3 Little Pigs houses.

#### Home Learning

Term 3's Home Learning will soon be uploaded to Purple Mash, please do let us know if you have any trouble accessing this. We were amazed at all the hard work achieved last term. Well done Reception! We look forward to seeing your great work again at the end of this term.

##### Treetoppers

We love hearing about your child's successes at home. We shall be sending more of these out this term. Please complete one to share your wow moments.
