Hello RAHS Families and Community -

Welcome to 2022! In reflecting back to our last year, I am so thankful for all that we accomplished, despite being in an unprecedented pandemic. We came back this fall, so thankful to be in person, and so hopeful that the end of the pandemic was on the horizon. Of course we know that 2021 did not go quietly and we again, in the midst of another variant. But again, despite the incredible challenge, our teachers, staff, students and families are still showing up, working hard, and we are all still hopeful that this storm passes quickly. A special shout out goes to our Dean, **Jacob Savishinsky**, Office Manager **Trish McGuire**, Custodian **Sophall Im**, and Attendance guru extraordinaire **Theda Hiranaka**. Despite a record number of phone calls, student absences, cleaning requirements, contract tracing and being at the start of all that comes with a new calendar year, this office team has been outstanding. Positive, caring, hard working and dedicated to our staff, students and families. Thank you **Mr. Sophall, Mr. Sav, Mrs. H and Mrs. McGuire!**

Families, do you have a student interested in technology? Check out this opportunity for the **Summer Tech Girls!** You can access the information here: <https://techgirlsglobal.org/apply/us-techgirls/> Please note that the application closes January 15!

Thank you again to our community for trusting us with your students safety and believing in RAHS! The Sky is NOT the Limit - and we are going to keep proving that in 2022!

Have a great week –

Therese Tipton
