

FDLRS Heartland

Webinar Wednesday Program List – January-March 2022

Engaging the Traumatized Student*

January 16-22, 2022

- This webinar provides educators, counselors, and school social workers the most important information to increase their effectiveness in working with traumatized students and helping them achieve their highest academic level.

Executive Function Skills & Academic Success*

January 23-29, 2022

- This webinar helps educators learn ways to help students develop and hone their EF skills as you learn how the brain works and why some students have a more difficult time with mastery than others.

Socially Traumatized*

February 6-12, 2022

- This webinar provides educators ways to gain an understanding of the landmines students must navigate on social media and how social apps can serve as gateways to trauma, mental health disorders, and suicide.

Mindset Matters: Teaching Growth Mindset in Schools

February 13-19, 2022

- This webinar will reveal how Carol Dweck's research-based theory can be applied in a classroom curriculum and/or small group counseling by using the acronym MINDSET to frame any lesson.

The Impact of Poverty on Learning*

February 20-26, 2022

- Explore the impacts of poverty on students and learn techniques and strategies to help students overcome obstacles, gain confidence, and succeed academically.

* - courses count for SWD points
