A MESSAGE FROM CHIEF ADVANCEMENT OFFICER MIKE FADELLI '88

Dear Serra Community,

I am grateful to be able to share some exciting news with you. We have come so far in just one year—a year that was crippled for many by a global pandemic that prompted unimaginable change.

During that challenging time, however, we ascended to new heights. Serra rose in ways that we didn’t think would be possible. We moved forward on a strategic plan that plots the next five years, and we constructed the Pereira Center for Robotics and Engineering. We also completed classroom renovations and added new air conditioning and seismic upgrades to 10 classrooms in the academic wing, creating a more comfortable and learning-focused environment for our students to thrive.

Our 865 Padres returned to school full time this year and have been more involved in campus life than ever before. We have a vibrant athletics community with enormous rosters. We are hearing new voices and sounds from our music department. Campus ministry is holding multiple retreats and service projects. Our fall play, The Alibis, is in full swing, and our esteemed faculty is continuing to challenge our students in the classroom with the highest echelon of rigor.

We are fresh, forward-focused and stronger than ever. We attribute our successes this year to the strong community that makes us Serra. As a result of the support from our community, we raised more than \$250,000 during our fall ThanksGIVEday and \$750,000 from our Fund a Dream Scholarship Benefit. We are Serra because of the people who believe in us and support the role we play in transforming the lives of every Padre who walks through our doors.

We are grateful for your generosity and partnership—we are only as strong as our community. We appreciate all of our benefactors listed in our 2020-2021 annual report, and thank you for promoting the extraordinary mission of Serra High School.

Warm regards,

Mike Fadelli

Profiles in Giving

DAVID PHILPOTT '87

The impressions made by Serra mentors in the mid-'80s have had a lifelong impact on David Philpott '87.

It might have been the love of reading in Mr. Stark's class, or the passion for teaching witnessed in Mr. Solari's class. It could have been the consistent and powerful compassion modeled by Mr. Sugar and Mr. Anthony, or Father Howell's trusted concepts of faith. These confident role models who mentored David as an adolescent continue to influence him more than 30 years after his Serra graduation.

"Serra had more influence on me than anything I had in college," he said. "Every week, there was some engagement, some interaction or some advice that resonated with me on a daily basis. Those impressions have stuck with me as an adult."

Now the vice president of employee and labor relations at the University of San Francisco, David draws on his experiences at Serra in all aspects of his life as a husband and father of three living in San Antonio, Texas.

"The personal accountability and responsibility that I learned at Serra has made me a better person overall," he said. "At Serra, we were taught that it is OK to make mistakes—but you'd better own those mistakes, too."

Profiles in Giving

Serra, David said, was an extension of the values he was taught in his Irish-Catholic household. He and his three brothers—John '85 and Steve '93—were born to Irish immigrants. They grew up in a strict household that fostered old-fashioned values of hard work, faith and service.

"My parents made huge sacrifices for us to attend Serra," David remembered. "They found it so important that Serra held the same expectations at school as they did in our home."

Service was something that the Philpotts placed an enormous emphasis on, and it's something that David has taken with him into adulthood. He has played an active role on Serra's Alumni Board, as well as the Serra Board of Regents. David worked on Serra's first capital campaign in 1989 and also helped to launch the Fund a Dream fundraiser many years ago.

David has given back to the Serra community for 26 years, almost consecutively, but he noted that he forgot to send his donation in 1987, which broke his giving streak. David also helped to start Groceries for Seniors, a nonprofit organization that provides 1,000 bags of free groceries to poor, elderly people in San Francisco every week. Even during the pandemic, his organization did not miss one delivery.

"We all try to make life around us better—that service component of giving back is something that differentiates Serra from other places," he added.

During the pandemic, David said the Groceries for Seniors delivery van was "held together with duct tape." His organization was struggling, but he relied on his Serra connections to keep things going.

"The Brian Morton Foundation bought us a new van to make the deliveries to our seniors," David noted. "Our special Serra alumni remain good stewards of the institution, and we have to pay it forward. It's very important for me to try to offer other young men the same opportunities that Serra provided me with—it opened doors everywhere."

"Serra has an amazing community of parents, teachers, coaches and staff members who are contributing to the world by shaping the Padres of today and the future leaders of tomorrow."

Profiles in Giving

REKHA HEMRAJANI AND SANJAY POPLI

Rekha Hemrajani and Sanjay Popli have two very different Padres with myriad interests. Both sons embraced interdisciplinary pursuits at Serra while becoming caring, confident and capable young men.

The oldest son, Arman '19, paved the way for choosing Serra after he heard older boys at Crocker Middle School talk about the Padre brotherhood.

"Arman felt such an immediate connection to Serra, finding support in the brotherhood," Rekha said.

"In middle school, he was a fine student but hadn't participated in many activities. However, his Serra teachers helped him to identify and cultivate his passions."

During his high school years, Arman blossomed into an inquisitive leader. He gained confidence from joining the wrestling team and learned how to manage his time. One thing led to another, and soon Arman developed other interests—tennis, Mock Trial and a love for singing a capella in the Serra Men's Chorus.

A turning point for Arman was when Mock Trial Coach Dominic Campodonico '86 recognized Arman's talents and encouraged him to run for student body president. He thrived on the Executive Leadership Council and enjoyed representing his fellow Padres.

Profiles in Giving

"Serra helped diversify my interests and allowed me to pursue a wide variety of activities," said Arman, a junior at Northwestern University who is double-majoring in political science and computer science. "I am incredibly thankful to Serra's amazing faculty and staff for providing me with an interdisciplinary, formative experience."

Arman's younger brother, Varun '22, found his niche at Serra as well. He has an avid interest in environmental politics and policy, he writes for the school newspaper, enjoys acting in school plays, and he's the president of the Green Club. Varun also sings a capella in the Men's Chorus, plays tennis and participates in Mock Trial.

"Serra is really committed to educating the whole person," Varun said. "Our teachers encourage students to explore a wide variety of disciplines before identifying areas that they want to pursue. Serra's supportive faculty and staff encourage students to explore new things. That has provided me with the opportunity to learn more about myself and my place in our world. For that, I am forever grateful to the Padre community."

As an admissions ambassador, Varun spreads the good word about the benefits of a Serra education. Interested in politics, he serves on Jackie Speier's Youth Advisory Board. He also worked for the Democratic Congressional Campaign Committee and on Joe Biden's presidential campaign.

"Serra encourages boys to take chances and get involved," Rekha said. "The teachers and staff really care. Both of our boys found their passions at Serra." Rekha and Sanjay enjoy giving back to the Serra community. Rekha serves on the Serra Board of Regents, and Sanjay enjoys attending school events with the other parents.

"It's very exciting for us to support the school financially to the best of our ability," said Rekha, who has held various leadership positions in the biotech world. "We see what Serra has done for our boys, and we want to pay it forward. I love interacting with the people on the board, and I'm super inspired when I hear about the innovative projects and new classes. I'd also like to commend the school leadership for doing such a remarkable job during the COVID pandemic by providing technology solutions in the classroom."

"Serra is working on a lot of exciting things," added Sanjay, who works in the tech industry. "Serra has always been strong in areas of critical thinking and writing skills, and we're also impressed by recent programs such as Design Thinking, as well as plans for the Center for Learning & Innovation, which will enable our students to interact with students from all over the world. Serra has an amazing community of parents, teachers, coaches and staff members who are contributing to the world by shaping the Padres of today and the future leaders of tomorrow."

Endowed Scholarship Funds

Serra's Named Endowed Scholarship Funds exist to honor families and loved ones by supporting Serra's financial aid program in perpetuity. Each year, these funds accrue interest on their principal amounts, and scholarship awards are given to deserving families. This year, these funds contribute to financial aid for our Padres. We are grateful to the Serra families who have set up these funds and to the scores of alumni, parents and friends who have generously contributed to building them over the years.

Named after Serra's patron, the Father Serra Heritage Society's generous donors have designated gifts through their estate plans to Serra High School. Below is a list of our current Father Serra Heritage Society members.

Fund a Dream Scholarship Benefit

Serra Padres are thoughtful, accomplished young men who value their Serra experience. The Fund a Dream Scholarship Benefit assures that each young man who dreams of becoming a Padre will have an opportunity to be part of Serra, regardless of his family's ability to afford tuition. While the pandemic made this year's physical event impossible, our virtual event raised more than \$730,000 proving that, even in difficult times, our community turns out to support this incredible cause. To date, Fund a Dream has raised more than \$5 million for financial aid for Serra's deserving young men. Anyone interested in attending the 2022 Fund a Dream, please contact Chief Advancement Officer Mike Fadelli '88 at 650.573.9935 x6154, or email mfadelli@serrahs.com.

Memorial Endowment Fund

A memorial gift to Serra can help to perpetuate the values that guided a loved one's life. Gifts may also honor a person during his or her lifetime, or commemorate a significant event. Your thoughtful donation becomes a living memorial that touches the lives of our students. All those listed in our memorial book are remembered during a monthly Mass offered in the school chapel. Memorial/honorees are listed in blue, followed by the names of donors.

(See page 44 for more information on how to make a memorial gift.)

Serra's Memorial Endowment Fund

A gift to Serra's Memorial Endowment Fund can perpetuate the values and ideals that guided a loved one's life. Gifts provide a tribute in memory of a loved one's passing, or may honor a person during his/her lifetime.

When a gift is made, his or her name will be entered into the Serra memorial book. The honoree will also be remembered with an acknowledgement card sent to the family. All contributions to the memorial program help fund tuition assistance for deserving families, assuring the continuance of Serra's legacy of inclusiveness and diversity.

For more information, please contact:

Chief Advancement Officer Mike Fadelli '88 at mfadelli@serrahs.com

Legacy Gifts

In the 2020-2021 school year, 64 Serra alumni gave the school their greatest gifts— their sons. We would like to acknowledge and thank these alumni for entrusting us to develop their sons into young men of respect, integrity, inclusion and compassion. We encourage all local alumni to give their sons what they received years ago—a Serra education.

THANKSGIVEDAY NOVEMBER 18

WWW.SERRAHS.COM/THANKSGIVEDAY

We are nearing our fourth annual ThanksGIVEday. This year, more than ever, we need your support. Our focus at Serra continues to be providing a transformative experience that builds men of faith, virtue, leadership and philanthropy. Teaching our students the rewarding privilege of giving back is fundamental to their overall high school experience. As we have seen all too well in 2021, we need our future leaders to feel the responsibility to give to others in need. On our fourth annual ThanksGIVEday, we hope to have community support to celebrate Serra and offer contributions to better our programs now and in the future. **Mark your calendars for November 18, our 24-hour day of giving, or plan to make a donation ahead of time to our ThanksGIVEday drive.**
