

INDIGO PROGRAM @ FROST ELEMENTARY (K-8)

The Indigo Program is a safe and caring K-8th grade school designed to educate the whole child. We provide multi-age interactions and constructivist learning activities through a positive discipline approach. This approach is supported by strong parent involvement. Indigo values the unique learning styles, skills and abilities of each child so they will be prepared to make a positive impact on the world.

STEAM @ STIPE ELEMENTARY (TK-6)

STEAM @ Stipe is a TK-6th grade school that provides the earliest access to Science, Technology, Engineering, Arts and Mathematics (STEAM) within project based learning and SEAL educational designs. We inspire and engage all students with a transformational approach where students learn by doing. Through our partnership with Silicon Valley companies, our purpose is to develop our diverse population into engineers, innovators, and entrepreneurs of the future. For more information, please visit: <https://stipe.ogsd.net/>

PROGRAM OPTIONS

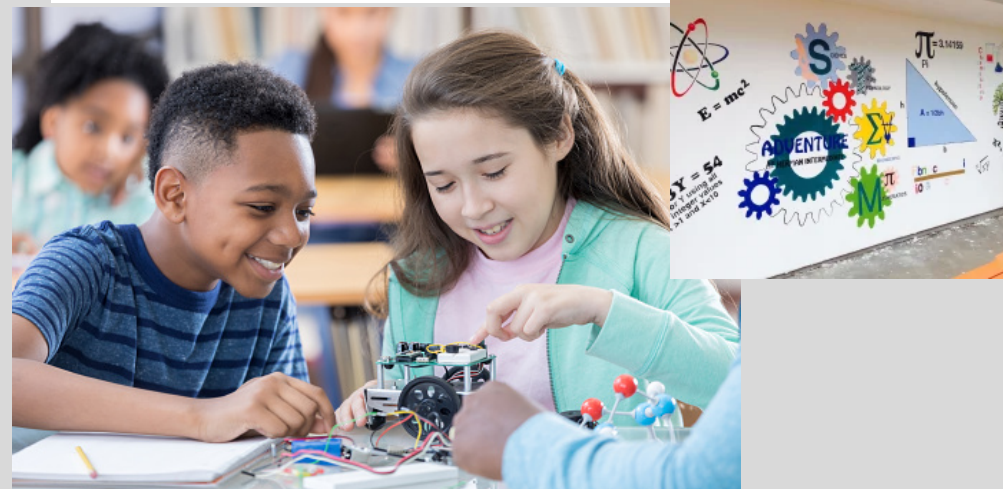

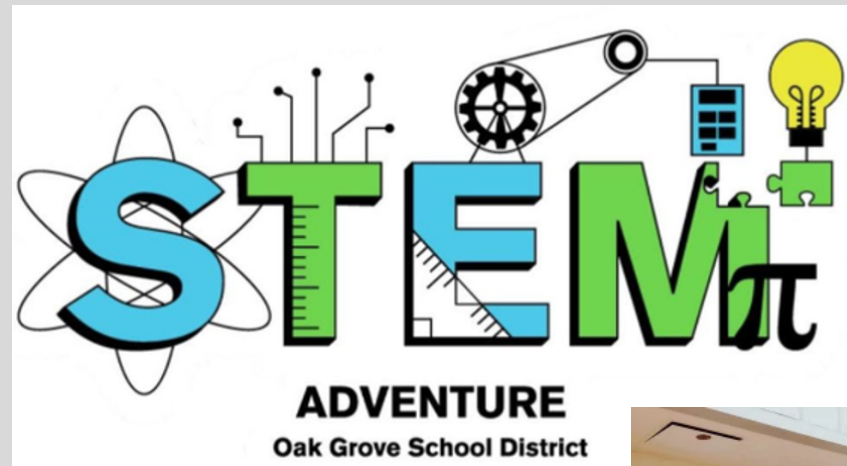

2022-2023 school year

SPANISH DUAL LANGUAGE PROGRAMS (TK-7)

Our One-Way Bilingual program is for native Spanish speaking student. Edenvale Elementary provides K-6 native speakers a powerful bilingual maintenance program that teaches students to read, write and speak fluently in both English and Spanish. For more information, please visit: <https://edenvale.ogsd.net/>

Our Two-Way Bilingual programs are a unique opportunity to learning to read, write, and speak naturally and fluently in two languages: English and Spanish are the target languages for the program. By completing TK-8th grades this provides a pathway for students to earn the CA State Seal of Biliteracy on a high school diploma. Two-Way Bilingual Immersion (TWBI) programs are offered at Del Roble and Christopher Elementary. For more information, please visit: <https://delroble.ogsd.net/> and <https://christopher.ogsd.net/>

ADVENTURE STEM @ HERMAN INTERMEDIATE (5-8)

Our mission is to engage all students in Science, Technology, Engineering and Mathematics through relevant, rigorous curriculum so they will be responsible, active, global citizens in the digital age. Enrollment is open to 5th-8th grade students of all ability levels who enjoy hands-on instruction and project based learning with a focus towards life and work in the 21st century. For more information, please visit: <http://www.adventurestemprogram.com/>

VIRTUAL LEARNING ACADEMY (K-8)

Our Virtual Learning Academy (VLA) is an established, alternative instructional program for student in K-8th grades who may achieve curriculum objectives in a setting other than the regular classroom. This blended-learning program offers monthly class days and field trips to build a vibrant community of learners of all age groups (pending county health guidance). This offering is an excellent option for students who travel due to sports, music, drama, etc. or those who are looking for an at-home learning option.
