**Search
ASSOCIATES**

School leaders work with us to harness our philosophy of empowerment – driven by what we know about how children learn – to create world class schools.

TT Education offers award-winning online CPD and school improvement support. You will end a day with us with ideas, games and approaches that you can immediately apply in your school.

Get a peak at what's inside the Mathematics Mastery primary programme with a 2-week free trial including planning guidance, lesson slides, Maths Meetings and integrated assessment.

We can help you find diverse and fantastic teachers. Search Associates has over 30 years' successful experience of working with schools across the world. Alison and Bill Turner are ex-international school Principals so know well how to support you..
