

Dear Parents and Carers,

Following amendments to the self-isolation rules, we would like to share the information we have received from the Department for Education with you.

The guidance now states that:

Individuals may now take LFD tests on day 6 and day 7 of their self-isolation period. Those who receive two negative test results are no longer required to complete 10 full days of self-isolation. The first test must be taken no earlier than day 6 of the self-isolation period and tests must be taken 24 hours apart.

If both these test results are negative, and you do not have a high temperature, you may end your self-isolation after the second negative test result and return to your education or childcare setting on day 7.
