Honors/AP/CIHS classes registered for the 2022 - 2023 school year:

- *I understand that Honors/AP/CIHS courses require more work outside of class and higher-level thinking.*
- *I have checked the homework requirements for all my classes, and I am certain that I can handle the workload, along with my other commitments (school, family, and extra-curricular).*
- *I understand the teaching schedule is created from student requests: therefore, I will not be allowed to drop any Honors, AP, or CIHS classes that I sign up to take.*
- *I understand I am responsible for the completion of summer assignments prior to the first day of school. If I don't complete these assignments, I will remain in the class and my grade will be impacted.*
- *Classes that offer college credit have a cost associated to receive college credit. However, students may take these classes and receive the high school credit at no cost.*
  - *If you would like to receive college credit but cannot pay the cost, please check with the instructor to see if funds are available.*
