SAVE FOR SUMMER IN A SNAP WITH SOME HELP FROM UVA COMMUNITY CREDIT UNION

Make sure your budget is ready for the summer! Set aside funds now to cover expenses for when there is a gap in your paycheck, or build savings to do something fun. Use the [Pay Transition Calculator](#), available on the Albemarle County Public Schools website, to help you determine how much you should save each month.

IF YOU ARE ALREADY A CREDIT UNION MEMBER SET UP A SPECIAL SUMMER SAVINGS ACCOUNT IN 3 SIMPLE STEPS:

1. **Login** to your UVA Community Credit Union online/mobile banking account
2. **From the Menu** select “Open Savings Account” > From the dropdown menu select “Secondary Savings Account” as the product type > Click “Add to Cart”
 - Your new account will show in your online banking profile within 2-3 business days
3. **Set up automatic transfers** to your new “Secondary Savings Account” based on the monthly allocation determined by using the [Pay Transition Calculator](#). Be sure to include a start and end date before your pay is suspended and reactivate transfers again when your paycheck resumes.
