

Dear Finalsite Clients,

Our team is continuing to get more sites online, and will work around the clock until all sites are online and fully functional. We appreciate your support and understanding.

We were grateful to see more than 1,200 of you on today's webinar to discuss the issue and ask questions. We realize this was short notice, so we've compiled a [webinar recap with commonly asked questions and answers here](#).

We are also holding two additional webinars tomorrow (Friday) for those who were not able to join us today.
