

COVID-19 EXPOSURE PROTOCOL 2021-22

Please contact the Clinic by emailing clinic@gsedallas.org or calling 214-357-2968 extension 304 for a return-to-school date and other important information.

*Exposure is defined as within 3 feet for a cumulative of 15 minutes or more in 24 hours. The CDC makes an exception to this rule if both are students and fully masked for the entire time of exposure.

**The CDC recommends that the individual be tested for COVID-19 as a precautionary measure 4-5 days after exposure and rapid testing can be obtained at the GSES Clinic, free of charge, on a daily basis during school hours.

***Must have significant improvement in symptoms, and be fever free for 24 hours without the aid of fever reducing medication, to return to campus. Must wear a mask indoors for the remaining three days after return from a 7-day quarantine.
