

SHAWNEE MISSION SCHOOL DISTRICT

SMSD Guidance for Winter events during the 2021-2022 school year Elementary Level

Follow all mitigating measures as outlined in the BOE approved document. The Shawnee Mission School District reserves the right to require masks or implement other mitigating measures at any point.

Elementary Schools

- Masks required indoors
- 3-foot social distancing/seating to the extent possible
- Beginning in January, 3, 2022
 - Outside guests will be allowed past the main entrance.
 - Outside guests are not allowed to visit the cafeteria during the lunch period.
 - Approved field trips will be supported to the extent transportation is available. Building mitigation measures will remain in place during field trips into the community.
- Per federal regulations, masking is required on district transportation.

- **Events during the school day**
 - No food or drink consumed at indoor events (could provide a take home option)
 - During classroom celebrations, volunteers will be limited to no more than 3 per classroom based on space to social distance. Utilizing outdoor spaces is encouraged, weather permitting.

- **Events outside of the school day - Indoors**
 - Utilize multiple large spaces to provide space for social distancing (cafeteria, gym, library)
 - Drive through events may continue as an option to allow for a designated stop/activity.
 - Recommend multiple designated stations to allow for social distancing of participants
 - Utilize outside spaces for events when possible

- **Events outside of the school day - Outdoors**
 - Provide specific direction/guidance to families regarding the event
 - Masks are not required outside
 - Spectators should maintain at minimum 3' distance to the extent possible
 - No restrictions on the number of patrons that may attend

SHAWNEE MISSION SCHOOL DISTRICT

SMSD Guidance for Winter events during the 2021-2022 school year Secondary Level

Follow all mitigating measures as outlined in the BOE approved document. The Shawnee Mission School District reserves the right to require masks or implement other mitigating measures at any point.

Secondary Schools

- Masks optional indoors unless buildings are above the 3% threshold. Then the facility would require masks.
- 3-feet social distancing/seating to the extent possible.
- Beginning in January, outside guests will be allowed past the main entrance.
- Outside guests are not allowed to visit the cafeteria during the lunch period.
- Approved field trips will be supported to the extent transportation is available. Building mitigation measures will remain in place during field trips into the community.
- Per federal regulations, masking will still be required on district transportation.

- **Events during the school day**
 - No food or drink consumed at indoor events (could provide a take home option)
 - During classroom celebrations, volunteers will be limited to no more than 3 per classroom based on space to social distance. Utilizing outdoor spaces is encouraged, weather permitting.

- **Events outside of the school day - Indoors**
 - Utilize multiple large spaces to provide space for social distancing (cafeteria, gym, library)
 - Drive through events may continue as an option to allow for a designated stop/activity
 - Recommend multiple designated stations to allow for social distancing of participants
 - Utilize outside spaces for events when possible
 - Dances will be allowed

- **Events outside of the school day - Outdoors**
 - Provide specific direction/guidance to families regarding the event
 - Masks are not required outside
 - Spectators should maintain at minimum 3' distance to the extent possible
 - No restrictions on the number of patrons that may attend
