

Subject: Getting Your Course Materials for Spring Term

Dear Students,

As a reminder, Hinds CC uses a course material delivery program that provides access to your required course materials at an average savings of 35% - 50%!

Your required course materials will be included in your tuition and fees and conveniently prepared and available to you before the first day of class. This program is called the Maroon Book Bundle. The cost is \$25/credit hour and will be included in your fees automatically.

How It Works:

- You are registered for classes
- One month before classes start, you will receive an email instructing you to review and order your course materials. Note: This email will come from our bookstore partner, not from our school directly.
- The bookstore will prepare your course materials in a convenient package
- You will receive an email notification when your order is ready for pickup at the bookstore or when it ships, depending on your selection
- Your digital materials will be delivered within Canvas
- When your courses are over, the bookstore will send you helpful reminder emails to return your rental course materials

We are excited to offer you this convenient, affordable way for getting all your course materials!
