

SBEC and Proclamation 2022

The State Board of Education (SBOE) uses a proclamation to call for new instructional materials. The proclamation lists the subject areas scheduled for review. It contains a schedule of adoption procedures, requirements, the Texas Essential Knowledge and Skills (TEKS), and instructions for providing electronic files for braille and large-type materials. Proclamations are named for the year the materials go into the classroom.

Proclamation 2022 calls for instructional materials for all courses in Health and Physical Education, English & Spanish in grades K-12. Duncanville ISD will conduct a materials adoption sometime in the Spring 2021-22 school year, materials will be ordered in Spring of 2022 after Board approval, and implementation will begin in the 2022-2023 school year.

The State Board of Education requires that all Proclamation 2022 pre-adoption samples of instructional materials submitted for adoption be made available to the public online. The pre-adoption samples are posted to the [Texas Education Agency website](#).

Proclamation 2022 Timeline

Subjects/Courses Under Consideration Specific to Duncanville ISD *Health & Physical Education K-12, English & Spanish*

During the instructional materials adoption process, Duncanville ISD is a “closed district” and all adoption-related questions, emails, and communication should be addressed to Tina Bynum-Director of Curriculum and Instruction, Martha Moreno-Instructional Materials Coordinator, or Tiffanie King-Executive Director of Academic Services. Teachers should not respond to any inquiries from publishers.

December 10, 2021 Review #1

- Region 10 Vendor showcase attended by Instructional Materials Allotment Team (IMAT) [Showcase Registration Link](#)
- IMAT uses rubric to evaluate materials and determine which publishers will be invited to present materials in Duncanville ISD
