

ST. JOSEPH HIGH SCHOOL

METUCHEN, NJ

SCHOOL CLOSING POLICY

In the event of inclement weather, the number of major sending school districts which close for the day and will therefore not provide busing (or provide busing late) usually determines the decision to close school. If a significant number of these districts have a delayed opening because of inclement weather, St. Joseph will usually close for the day (but hold students accountable to do work at home).

For school closing information, tune in to one of the following stations:

WCTC, New Brunswick (1450 AM)

www.wctcam.com or www.magic983.com

New Jersey 101.5 FM

www.NJ1015.com

News12 NJ (TV)

www.news12.com

The school telephone will send out a message and also play a tape announcing if school is closed. Check www.stjoes.org.

DUE TO LIABILITY AND INSURANCE ISSUES:

NO STUDENT IS ALLOWED TO LEAVE SCHOOL EARLY THROUGH A PHONE CALL PLACED TO THE SCHOOL ON EITHER REGULAR OR INCLEMENT WEATHER DAYS
