

Greenwich Public Schools Magnet Schools Open House Schedule for 2022-2023 School Year

Greenwich Public Schools are proud to offer choice to the families of Greenwich that may wish to apply to any of the District's four elementary schools and one middle school magnet program. School choice provides opportunities to attend a school with programs that may be of particular interest to a family and/or an individual student. School choice also provides the District with a means of balancing enrollment among its schools on a voluntary basis rather than by mandating school attendance area changes. The Magnet School Application Guidelines Packet is available only on the [GPS website](#), with an online submission deadline of February 1, 2022.

All Greenwich Public Elementary/Middle Schools, including magnets, teach the same curriculum and provide the same basic support service programs. Below are magnet school details, with dates and times of virtual open houses. For the first time, Western Middle School administrators will meet with families at their elementary schools. To join any of the virtual open houses, click on the date and time below.
