

## **Baldwin High School Boys Basketball Gently Used Shoe Drive**

Baldwin High School Boys Basketball has teamed up with an organization called Funds2orgs! We collect donated shoes and Funds2orgs repurposes them. The donated shoes are sent to developing countries world-wide to create job opportunities in these less than fortunate areas. These shoe drives provide inventory to over 4,000 small business owners who, in turn, sell the shoes supporting their local communities. This is a great cause and we need all the donations we can get!

So, we are looking for your gently used shoes - **men's, women's, and children's** ranging from **sandals to boots to tennis shoes to dress shoes!** Any pair that is *gently used, mostly clean, and free from holes, rips, or tears!*

Shoe donations will be accepted at all of the schools with collections boxes found in the main offices. Donations will also be accepted at any Baldwin Boys Varsity, Junior Varsity, and Freshman games! **Collection ends Feb 1<sup>st</sup>!**

Feel free to send any questions to Robin Wesling at  
[baldwinbasketballboosters@gmail.com](mailto:baldwinbasketballboosters@gmail.com).

From the Baldwin High Boys Basketball Team and the Baldwin Boys Basketball Booster organization, thank you in advance for your participation in helping us help others!
