

# Mystic River Magnet School Newsletter

January 10, 2022

Hello Mystic River School Families!

As we continue to remain in person this year and work through the updated Covid-19 protocols, I wanted to emphasize how important it is to have our staff and students wear their mask throughout the school day. We remind everyone daily about keeping their mask on, covering both their mouth and nose. Please remind your children as well. It is important that we remain diligent at staying covered. In addition, please remind your children that it is just as important to wear their masks properly on the bus. We will continue to share this message as well to all students at Mystic River. (Updated, District, Covid-19 Protocols can be found on both the District's main webpage and our School's webpage. Information will pop-up when you visit either site. )

I wish you all a happy and healthy new year!

Steve Wheeler, Principal, Mystic River Magnet School

- **Student Dismissal Plans**- Please contact the office prior to **2:30**, if you are changing your child's dismissal plans for that day. The dismissal time from 3:15-4:00 with parent pick-up students and those that ride the bus is very busy. Having all plans firm by 2:30 will ensure that our dismissal process will run smoothly. Thank you for your help.
