● Afternoon Tea & British Culture

Staff Member: Ausra Bremner / Wiki Solly

Location: Heygate / High Street

What to Expect: If you want to chill after a busy week – Afternoon Tea session is for you. You will be served variety teas and coffees, freshly baked cakes and learn English tea drinking history and etiquette. You will also learn about the tea/coffee drinking traditions around the world and have theme-based afternoons, e.g. Greek, Italian, French, Kenyan, Thai, Vietnamese etc. This is also a relaxed and safe place to catch up with the friends and discuss week's events. What's shared in the club – stays in the club! So, if you want a tasty treat and a natter- Afternoon Tea session is for you :)

● Arabic

Staff Member: Amer Altaher

Location: Folly 2

What to Expect: Learn Arabic Language in a fun interactive environment! Learn to show empathy with people all over the world as you learn to communicate in another language and appreciate different. cultures

In this enrichment club, we will begin to learn the language and be able to greet people, give information about ourselves, describe the weather and give our opinions on different topics. We will also learn about Arab culture and one of the most exciting and controversial festivals. We'll also be showing our amazing curiosity and adaptability to learn the Arabic writing system to be able to create our own writing projects.

- **Expressive Art**

Staff Member: Mary Bidgood

Location: HI12

What to Expect: In the expressive arts club you will have the opportunity to use a variety of different materials to create 2D and 3D pieces of artwork. There will be painting, collage, sewing and sketching. We will be creating our own personalised mugs, exploring photography, creating large scale paintings and building some unique constructions. You will have free choice of activities based on what you enjoy, all fun ideas are welcome.

- **Careers & Employability Skills Workshops**

Staff Member: Chris Szadura & Leo Constantin

Location: Folly 4

What to Expect: These workshops will help you to understand what employers are looking for, how to apply and prepare to enter the workforce. Workshops include tips on how to find and apply for jobs, prepare for interviews and assessment centres.

- **Chess**

Staff Member: Chris Szadura

Location: Folly 4

What to Expect: Chess is one of the world's oldest games, played by the Kings of old, Pharaoh's of Egypt and Caesar's of Rome. Here at Brooke House College Chess Club we will be leading a tournament for the next 5 week's with prizes for the winner.

All level's welcome from beginner to expert. Do you have what it takes to be crowned the Brooke House Chess Champion?

- **Cooking**

Staff Member: Lee Keenan & Rung Tumporn

Location: Brooke House

What to Expect: Learn how to cook dishes from around the world as well as learning skills such as cooking on a budget, preparing healthy and nutritional meals and cooking for University.

- **eSports**

Staff Member: Margo Georgiev

Location: PK Building

What to Expect: Esports is different from standard video gaming in that it's a contest involving teams of people playing against other teams, often with spectators. Players work together to complete against others online in games such as Rocket League, Overwatch and Fifa.

- **Music**

Staff Member: Petros Satrazanis

Location: PK Building

What to Expect: Play an instrument or enjoy singing? Then join the BH Band. The band focus on integrating the different instruments students can play with

different styles and themes of music. Whilst the band naturally suits those that already play instruments, beginners are welcome to join.

- Sports

Staff Member: Clare Kaletha, Jose Vazquez, Ruby Kaur & Lorin Tannock

Location: Meet in the Workroom

What to Expect: A variety of sports will be offered throughout the term. If you have any suggestions for new sports to be included, speak up!

- Student Magazine

Staff Member: Amer Altaher

Location: B2

What to Expect: The purpose of this club is to help you develop a set of transferable skills that you can add to your CV and future university and job applications. In this club, you will learn the value of teamwork, learn more about your personal strengths and motivation, resourcefulness, organisation, and how to think differently. The skills developed will include professional and journalistic writing, summarising information, interviewing people, photography, editing, and collecting and organising news entries, in addition to improving your utilization of presentation software and digital platforms.
