Speed, Google Apps for Education compatibility	Less flexible for audi-visual recording	4/8 GB Memory RAM, 16/32 GB Hard Drive	Windows 10, Any program can be installed	Battery might not last all day	8 GB Memory RAM, 500 GB Hard Drive	Flexibility, IOS Features	Less flexible for audi-visual recording	8 GB Memory RAM, 500 GB Hard Drive
A high quality, durable cover is recommended and headphones are required daily.								
We discourage students from bringing an iPad. It has limited capability such as when typing, researching, presentation building and editing in the writing process.
