Presentation College has applied for HEERF's and has signed and returned the Certification and Agreement form to the Department of Education. Presentation College received \$2,616,965 in total from the HEERF programs. Presentation College will distribute no less than \$1,188,785 of the funds received under the HEERF as emergency financial aid grants directly to students as required by law.

As of the date of this acknowledgement, \$411,450 has been distributed to 555 students. The College estimates that approximately 767 students are eligible to receive emergency financial aid grants to students under the HEERF program.

The College has developed a method for awarding and disbursing HEERF funds to students as follows:

1. The College has implemented an awarding process that takes into account a student's enrollment at PC, enrollment status, and financial need.
2. The HEERF Committee reviews the data and student awards and approves award amounts.
3. Students are notified of the HEERF award via their PC email.
4. Students have options of having a paper check mailed, EFT/ACH draft to their bank account on file, or opting to have the funds added directly to their student account at Presentation College.

This acknowledgement is available pursuant to compliance with the HEERF reporting requiring institutions to post the above information on our primary website.
