Tuition assistance is awarded annually to **students in grades K – 12**. Tuition assistance is not available to Form I-20 students. Applying for admission to The Bear Creek School and applying for tuition assistance are two separate processes. To learn more about our tuition assistance program, please see Tuition Assistance found in the Admissions section of our website at www.tbcs.org.

Tuition and Fee Payment Options

Tuition, Facility Fee, Division Fee, and Senior Fee may be paid in two ways:

- **Payment in Full:** All domestic students receive a **2.0% tuition discount** if tuition is paid in full before **May 5, 2022**.
- **Ten Equal Monthly Payments:** The Bear Creek School uses a tuition remittance program called FACTS for the ten-month tuition and/or facility fee payment option. **Payment is due on fifth (5th) of each month** (May 2022 – February 2023). The annual fee for FACTS is \$45.00.

Tuition Insurance

- **Tuition Insurance is recommended** and is available through a number of insurance companies, including but not limited to A.W.G. Dewar Inc. Tuition Refund Plan. The A.W.G. Dewar Inc. plan provides an opportunity to insure tuition in the event of withdrawal under certain circumstances. Be sure to read the policy carefully to make sure you understand the terms, conditions, and dates of coverage. For more information, please see www.tuitionrefundplan.com.
- The Bear Creek School has negotiated a **premium of 2.1%** of the annual tuition (less tuition assistance, scholarships and discounts) with A.W.G. Dewar Inc.'s Tuition Refund Plan. If you choose to participate in the A.W.G. Dewar Inc. plan and indicate this choice on your child's Enrollment Contract, your tuition insurance payment(s) will be included with your choice of payment schedule.
