

Instructions to activate your newly issued Chromebook (Grades K-2):

Please use the following step-by-step quickstart guide to activate your Chromebook for remote learning.

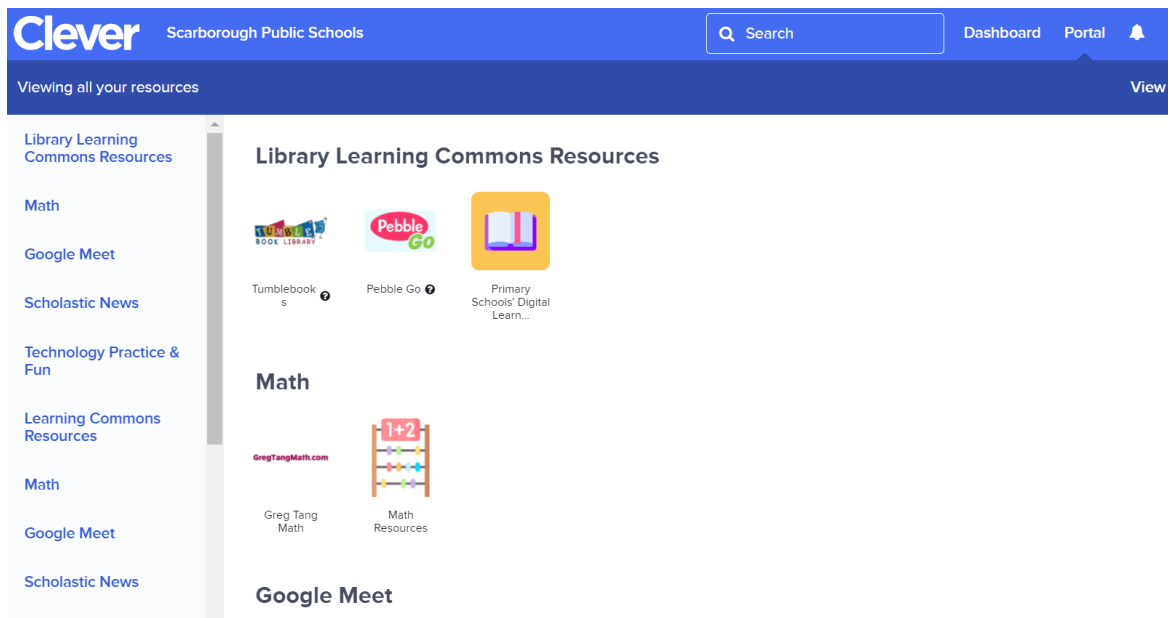

1. Open your newly issued Chromebook.
2. If the Chromebook you were issued is already on when you receive it, please power it down now.
3. Power on your Chromebook. (Power button is located on the left outside edge of the computer)
4. Once your Chromebook is powered on, you should see the following screen:

5. Click the blue "Next" button.
6. After clicking "Next", your computer camera will be enabled and the following screen will appear: (Note: the image below is for example only, and will should not display a red box)

7. Take the badge containing the QR code that you received with your Chromebook, and hold it in front of the camera so that the computer can scan the badge. You do NOT need to click the blue “Log In” button.
8. When the scan is successful, a large green checkmark will appear and you will be presented with the following screen: your child’s Clever page.

9. Nicely done! You have successfully logged in to your Chromebook. For device questions, troubleshooting issues, and general support, please [contact our Support Team \(tickets.scarboroughschools.org\)](https://tickets.scarboroughschools.org).
