In addition to collecting tuition, FACTS will be collecting incidental fees throughout the year. GFS will provide information to FACTS each month, and FACTS will send out invoices with a breakdown of fees due. Your bank account or credit card will be automatically debited on the due date for any fees due that month.

PEACE OF MIND BENEFIT

A death in a student's family can disrupt his or her academic life due to the potential loss of educational funds. To prevent such a disruption, individuals enrolled in a FACTS payment plan are provided the opportunity to enroll in the FACTS Peace of Mind Benefit. The cost of this optional benefit is \$22.50, which is added to your FACTS enrollment fee. If you elect a payment plan with no fee, the \$22.50 Peace of Mind fee will be assessed within 14 days of the agreement being submitted. More information regarding the Peace of Mind Benefit is available online when setting up your tuition agreement.

FREQUENTLY ASKED QUESTIONS

1. If payments are made automatically, does that mean FACTS or GFS has direct access to my account?

No. This is a common misconception about automatic payments. No one other than you and your financial institution has access to your account.

2. How can I be assured these transactions are secure?

When you consider that bank research shows as many as 10 people handle a check from the time it is written until the funds are deducted from your account, ACH transactions are far more secure than writing checks. With electronic payments, the transactions pass electronically through the banking system.

3. Can I set up a separate checking or savings account for making my automatic payments?

Many people choose to establish an account separate from their primary checking or savings account for their automatic payments. NOTE: The person authorizing payments must be a signer on the bank account provided. In addition, please check with your financial institution to make certain the account can be used to process automatic payments.

4. How do I make changes once my agreement is in the FACTS system?

If you need to change information such as your mailing address, phone number, email address, or banking information, please visit online.FACTSmgt.com or contact FACTS. If you want to discuss changing the payment date or payment amount, you must contact the GFS Business Office at 267.323.3302. All changes must be received by the GFS Business Office or FACTS at least three (3) business days prior to the automatic payment date in order to affect the upcoming payment. However, for convenience and timing, FACTS is able to make minor due date changes (at 866.441.4637), up to 5 business days beyond a current due date. Any dollar amount re-allocations or changes beyond the 5 business days will still need to be made by GFS.

5. What if my payment date falls on a weekend or holiday?

If the payment date falls on a weekend or holiday, the payment will be attempted the following business day.

6. When will the funds be withdrawn from my bank account?

Although FACTS specifies the date each payment will occur, it is your financial institution that determines the time of day the payment is debited from your account. FACTS recommends you check with your financial institution to determine how far in advance the funds should be deposited into your account to ensure the automatic payment clears.

7. How can I get help with navigating through the FACTS website?

You can contact FACTS at 866.441.4637 or GFS at 267.323.3302.
