Dear Wausau School District Parents/Guardians and Staff:

As you may know, the number of COVID-19 cases in the state is rising. As demand for testing increases, the Department of Health Services has notified schools in Wisconsin that there is now a shortage of rapid antigen tests. As a result, our COVID-19 Mobile Units will only be providing PCR testing.

Once rapid antigen tests are available, we can begin offering them again.

We understand this may cause some frustration. Please know we sincerely apologize for any inconvenience this causes.

Thank you,

Wausau School District Administration

It is the mission of the Wausau School District to advance student learning, achievement, and success.
