

Vancouver
College

Vancouver College, a Christian Brothers School, founded in 1922, is a Catholic school for boys with over 1,000 students from Kindergarten-Grade 12. The school is well known for its spiritual program, outstanding academics, an expansive co-curricular program, and high caliber teaching staff.

With the completion of the campus renewal project, Vancouver College moves forward with a focus on continuous improvement and pedagogical transformation. It leads the way in innovative practice while honouring its deeply rooted traditions.

Vancouver College athletics is an important component of the school's mission aimed at the ongoing formation of the whole person. Our athletic program is very strong throughout the school, nurturing both the elite athlete and enthusiastic participant through athletics. We offer a broad range of sports and have earned a reputation for excellence.

Our coaches work hard to create an environment that supports and encourages high achievement in athletics and academic work within our Catholic faith community. Our athletic program encourages students to participate in Vancouver College's various sports offerings. We strive to provide our student athletes with the resources necessary to compete to the full extent of their ability and to enjoy each aspect of their experience.

The policy of Vancouver College is to hire, when available, qualified Catholics, who in addition to carrying out their professional responsibilities will model the values espoused by Blessed Edmund Rice as articulated by the school's Essential Elements.
