

# Eagle Vision News – January 12<sup>th</sup>, 2022

## Centerville Families,

I hope this message finds you well. If you have seen the news, you know that Covid cases statewide have hit all-time highs. At Centerville Elementary, we have seen lots of illness, and we know that not every illness is Covid. Please be prudent and keep your student home if they have symptoms of illness. Davis School District protocol stipulates-students with symptoms of illness should remain home for 24 hours after the symptoms subside.

In more fun and exciting news, I would like to introduce and welcome Mrs. Johana Mateos to our teaching staff. She has worked as a Teacher Assistant and an Office Aide and will now be teaching Spanish Language Prep classes to students once a week. She started classes this week and we are excited to have her with us in this regard. Students who would have had STEAM Prep this week will get to have their first Spanish lesson. Learning another language has been shown to be highly beneficial in several ways including improving the ability to focus. If you get a chance, ask your son or daughter to share some words they are learning. It will give them the chance to practice their newly formed skills.

Please remember that we have early out schedule both Thursday and Friday of this week. Also, we do not have school for students on Monday or Tuesday.

In other news: we still have several job positions available. Details are listed below. I encourage you to share this information to the community so we can fill these vital roles at our school.

Mr. Holmes

We are currently looking for someone who would like to work about 3 hours a day, 5 days a week on the playground and in the front office.

We are also looking for someone to work in our lunchroom. This position is 3.5 hours a day, 5 days a week.

Two Teacher Assistant positions are currently available. One of the positions would be working with special needs preschool and would vary per day but would be about 19.5 hours a week. The other position is working with various grade teachers and is about 15 hours a week.

For any of the above positions, please contact the office for details: 801-402-1400.

## **SPELLING BEE**

This year our Spelling Bee will be held on Jan. 27th @ 2:00 p.m. in the school cafeteria. Grades 4-6 as well as parents of participants are invited to observe the event. Each classroom (grades 4-6) will provide 3 representatives. Teachers should notify parents whether their child will be a participant in the Spelling Bee. In order to study, students can download rules and the spelling words list at [District-Wide Contests and Events - Davis School District](#). Please contact the office with any questions.

## **Mary Poppins Jr.**

For all those who participated in tryouts for our school play, cast lists will be posted on the front door on Friday and will remain up through the weekend.

## **Kindergarten Roundup**

Those children who will be 5 years of age on or before September 1<sup>st</sup> of 2017 are going to embark on a wonderful, exciting adventure! Being “big enough” for Kindergarten is a delightful time in a child’s life, and we are pleased to be part of that adventure! Currently, we are conducting a survey of our school community to locate our incoming kindergartners. If you have a child in your home that will be 5 years old by September 1<sup>st</sup>, 2022, please contact the school’s office or email our Head Secretary [cboswell@dsdmail.net](mailto:cboswell@dsdmail.net) as soon as possible. Registration materials may be picked up in the office any time after January 1<sup>st</sup> during school hours. Sometime in the spring, a Kindergarten Roundup will be held which will include registration and time for future Kindergarten students to become familiar with the teacher and classroom. Information will be mailed to the student addresses that we have on file. In addition to this, please inform any other “kindergarten-age” children you know whose parents might not receive this notice. Thanks!
