Caretaking role at South Croydon primary school

Primary School Site supervision role

An opening has arisen for an organised, practical and dedicated Site Supervisor in a caretaking role, with full responsibility for safety and maintenance at ST PETER'S PRIMARY SCHOOL. Our school building was modernised 10 years ago and we are fortunate to have a good amount of outside playground space. You will be joining a supportive Estates team operating across the multi academy trust.

The responsibilities will include: Security; Caretaking; General Maintenance; supervision of Cleaning; generally pre-empting issues and dealing responsibly with challenges as they arise on the site. The role requires use of information technology for emails and management of our online monitoring system: Every Compliance Manager. All training on this system will be provided.

All our school sites need to be maintained as safe and pleasant working environments that encourage young people to learn and have pride in their school. We have a diverse and supportive team of staff working with our children who range in age from 4 to 11 years and all members of staff are considered to be equally important and valued for the role they perform in looking after the children at SPPS.

Further details of the duties are listed in the Job Description available for download on <http://www.folio-education.co.uk/Current-Employment-Opportunities>

The MAT comprises an established, outstanding boys' grammar with mixed sixth form, a primary school, a junior school and a brand new secondary phase, comprehensive free school which opened in 2018, comprising state-of-the-art £35M school buildings and sports complex.
