# Summer School

## Early Elective Registration

# —2022—

### **Important Early Registration Dates:**

**Early Registration begins January 10**  
**Pay by February 14** to reserve class spot  
First Semester: May 23 - June 10  
(No Class May 30)  
Second Semester: June 13 - July 1

Community High School District 155  
[www.d155.org](http://www.d155.org)

## EARLY REGISTRATION COURSES & TENTATIVE DATES

Early registration is only available for the following courses.

### Semester One (May 23 - June 10)

No Class May 30

Consumer Education  
Geometry  
U.S. History  
Visual Art and  
Technology

### Semester Two (June 13 - July 1)

Consumer Education  
Geometry  
U.S. History

*Dates are subject to change.*

## REGISTRATION INFO

Early registration begins on January 10 for the select courses listed in this packet. Regular registration for other summer school courses will begin in spring 2022.

## LOCATION

Each summer school course listed here will meet at Crystal Lake Central High School located at 45 W. Franklin Ave, Crystal Lake, IL 60014. The main office number is (815) 459-2505.

District 155 is offering early registration to current students for summer school elective courses. This packet covers **only those courses eligible for early registration. This includes U.S. History, Consumer Education, Geometry, and Visual Art and Technology. Registration for remedial and special education courses will take place in spring 2022.**

You are encouraged to review these materials carefully before registering. Students must reside in District 155 and meet other requirements to be eligible for enrollment in summer school. The way these courses are presented may change due to COVID restrictions.

## Course Descriptions

### Consumer Education (Online course)

This 1/4-credit course is presented in a non-traditional manner with all of coursework done in an online learning environment with only three mandatory Zoom meetings. The content of the course provides students an understanding of their role as consumers in the global economy. Students will learn how to make financial and consumer-related decisions, manage money, comparison shop, bank, budget, save, and invest for their future needs and wants. Real-world simulations are used in combination with project-based activities. Students are required to have access to a computer and the Internet outside of school. Students in grades 11 and 12 may enroll, but availability is limited, and priority will be awarded to 12th graders. Students who are self-directed, effective with time management, and possess quality communication and technology skills tend to perform best in this type of learning environment. **Seniors will have first priority, followed by juniors if registered by February 14.**

The dates below are **mandatory Zoom dates** that students must attend class sessions from 8:00 a.m. - 12:00 p.m. Students who cannot meet during these times will be dropped from the class without reimbursement.

Semester 1	Semester 2
May 23	June 13
May 31	June 20
June 10	July 1

### U.S. History

This course is a survey of our nation's history from Colonial America through the Civil War (semester one) and Imperialism through the Cold War (semester two). Emphasis is placed on relating what is learned to the present. Primary goals include an appreciation of our nation's heritage, an understanding of our system of government, and a knowledge of our country's changing role in a changing world. Participants in the first semester of this course will complete the State of Illinois requirement for passing the Illinois and United States Constitution tests. This course meets the American History graduation requirement.

### Visual Art and Technology

Set yourself apart by becoming a creative problem-solver and explore current digital technology. Students will use a combination of digital technology and creative art making to examine their world, identity, and possible careers. No previous experience is necessary and everyone creates at their own level. This course serves as one of two prerequisite options for students whether they are progressing through the four-year art program or are interested in a creative experience. This 1/2-credit course fulfills the computer credit requirement for graduation and is appropriate for students in any grade level.

## Course Descriptions (Continued)

### Enrichment Course- Geometry

To enroll in this class, students must have a B or better in Algebra and commit to taking three or more years of math classes.

## General Summer School Information

### Tuition & Fees for Summer School

#### All courses:

One semester tuition \$180

Two semesters tuition \$360

#### Course-Specific Fees:

Visual Art and Technology \$15 Supply Fee (plus \$180 semester tuition)

- **For early elective registration, all fees must be paid by February 14, 2022 to secure a student's spot in a class.**
- The completed registration form should be turned in to your school's registrar. Once the form is received, the fee will be added to skyward. An email will then be sent indicating that the fee can now be paid on-line in skyward. If you need to pay in another way, please contact your school's registrar.
- Students will not be enrolled until payment is received.
- A waiver of fees for summer school coursework may be available for students who qualify. Please contact your child's counselor for fee waiver paperwork.

### Attendance

Attendance is extremely important, therefore, it is critical to plan ahead when considering enrollment into summer school. Most courses meet for 5 periods per day and are approximately the same total number of minutes as regular year courses. In fact, each class period during the summer school day corresponds to one and one-sixth days' work during the regular school year. As a result, it is imperative that students be present each period on every day.

Attendance is taken each class period (5 times per day). Any student who misses more than one full day of classes (5 periods) will be dropped from the class on the 6th period of absence. All absences need to be reported to the summer school office prior to 7:30 a.m. Failure to do so will result in a phone call to home or work.

Instances of tardiness are addressed in a similar manner. Students are expected to be punctual to each class period. Teachers will record tardies for each period. The third tardy to any class will be considered an absence from class. Each tardy after the third will count as an additional class absence. Therefore, a student could be dropped from class for a combination of absences and tardies, or a total of eight tardies.

**\*\*\* All students must be present for final exams \*\*\***

### Student Conduct

Students are required to abide by the same rules during summer school as they would during the regular school year. This information is contained in Board Policy 7:190, Student Behavior, and the student handbook available at [www.d155.org](http://www.d155.org). Students will adhere to behavior expectations in Board Policy 7:190 and follow the established school rules as published in the student handbook, as well as summer school rules contained in this packet. Disruptive behaviors during summer school may result in disciplinary consequences, including but not limited to, suspension from summer school and removal from the summer school program. Specifically, the use, possession, and/or distribution of any alcohol, drugs, vaping devices, or other drug-related paraphernalia on school property during summer school may result in the student being dropped from a class, an out-of-school suspension, or expulsion from the District. Suspensions from summer school will count towards the student's total number of absences for the summer session. As stated previously, once a student accumulates 6 periods of absences, s/he will be dropped from the class for the summer session. If a student is dropped from a summer school class, the parents/guardians may submit a written appeal of that disciplinary measure to the Assistant Superintendent of Educational Services, or his/her designee. The Assistant Superintendent's decision on the student's appeal is final.

- **Dress:** Students are expected to dress as they do during the regular school year. The facility is air-conditioned, so layering is recommended. Caps, hats, head bands, scarves, jackets, or any other clothing deemed inappropriate by summer school personnel are not to be worn in the building.
- **Electronic Devices:** Calculators are allowed and music devices are allowed during breaks. Electronic games and pagers are not allowed. Cell phones are to be turned off during summer school hours except during designated break times.
- **Food:** Open food and beverages are not allowed in classrooms but may be consumed during breaks in the designated area.
- **Leaving Campus:** Students are not allowed to go to the parking lot or to leave campus during summer school hours. Students leaving campus or going to the parking lot without permission will receive a multi-period suspension.

## **General Summer School Information (Continued)**

### **Class Credit for Summer School Courses**

Unless otherwise noted, a ½-credit may be earned from successful completion of each semester of summer school coursework. Students may repeat courses they have previously passed, with the higher of the two grades entered on their permanent record. However, the student will only receive credit for the course once. Regardless of the course, all students must be present for the final exams.

### **Course Descriptions**

Detailed course descriptions are available in the online course selection guide available in the “Links for Students” section at [www.d155.org](http://www.d155.org).

### **Book Rental**

Tuition fees cover the rental of textbooks, while required workbooks and any other supplementary supplies must be purchased by the student. Books will be distributed the first day of class and must be returned on the last day. Students are expected to return the books in the same condition as they were received. Students will be charged for lost or damaged books. No academic credit will be given until all textbooks are returned in acceptable condition or are paid for in full.

### **Graduating Seniors**

Graduating seniors from District 155 who are completing requirements for graduation at the end of either semester of summer school are required to sign the diploma list in their home school student services office.

### **Transportation**

Bus service to Crystal Lake Central High School is provided at no charge to students from Cary-Grove High School, Crystal Lake South High School, and Prairie Ridge High School. The bus schedule is as follows:

Cary-Grove (front of school) to Crystal Lake Central	Leave at 6:45 a.m. Return to CG by 12:55 p.m.
Crystal Lake South (main entrance) to Crystal Lake Central	Leave at 6:45 a.m. Return to CLS by 12:55 p.m.
Prairie Ridge (front of school) to Crystal Lake Central	Leave at 6:45 a.m. Return to PR by 12:55 p.m.

### **Transportation Rules**

Riding the bus is considered a privilege. Students risk losing this service for inappropriate behaviors. For additional information, please review the section regarding “Student Conduct” included in the student handbook available at [www.d155.org](http://www.d155.org).

### **Semester Schedule** Meets Monday - Friday

First semester begins Monday, May 23 and concludes Friday, June 10 (No class May 30). Second semester begins Monday, June 13 and concludes Friday, July 1.

### **Daily Class Time Schedule\***

Period 1 . . . . . 7:30 - 8:20 a.m.

Period 2 . . . . . 8:25 - 9:20 a.m.

Period 3 . . . . . 9:25 - 10:20 a.m.

Period 4 . . . . . 10:25 - 11:20 a.m.

Period 5 . . . . . 11:25 a.m. - 12:20 p.m.

\*This schedule may change due to COVID restrictions.
