Middle School Laptop Information

Computer Login Grades 6-8

Student usernames are the *first four letters of last name* followed by *first three letters of first name* and then *two digit graduation year*.

- Example for a student named John Smith, graduating in 2030: SmitJoh30

Student passwords have been reset to the 7-digit student ID number. The 7-digit student ID number can be found in Family Access.

More information on Family Access: https://www.issaquah.wednet.edu/family/FamilyAccess

Because the student password was reset to the student ID number, passwords for Clever (K-5), Classlink (6-12) and Office365 were automatically reset to their student ID number as well.

Digital Resources available to ISD students can be found here:

- Technology Tools and information on logon: https://bit.ly/isddigitaltools
- Secondary school – Digital tool resources: https://bit.ly/isd-digital-612

Insurance Information

If you would like to purchase optional insurance for your laptop, you may do so through one of the many companies who offer laptop and device insurance online such as **Worth Ave. Group** (https://www.worthavegroup.com/product/laptop-insurance/)

When selecting coverage, please refer to the replacement costs table for the appropriate value of your student device. Device serial number is listed on the equipment.

Middle school laptop	
Laptop: DELL 3310	$540
Power Supply: DELL Adapter	$42
