

ADVENTURE CLUB NON-SCHOOL DAYS

January 19-21

"GAME ON"

Wednesday 1/19

BRAIN GAMES

Students will spend the day playing games that work the brain. Games have been proven to increase brain function, memory, and creativity while reducing stress.

Thursday 1/20

BOARD AND CARD GAMES

This day students will work on fostering a sense of community by learning and playing board games with one another.

Friday 1/21

GAME SHOW MANIA

Kids will spend the day playing fun Game Show games. Kids will expand their knowledge on various subjects through these games such as; geography, history, math, science and more.

Meals

Breakfast, Lunch & Snack will be provided by nutrition services at no additional cost for all students attending our program.

Locations

- Forest

MORE INFORMATION

Register for these Non-School Days through our website at rdale.ce.eleyo.com

Please note : We will not be providing any distance learning academic support while your child attends with us. These days will run as a regular Adventure Club non school day. We will offer optional homework times throughout the day for children to work on their asynchronous work if they choose to do so.
