

UPDATED COVID PROTOCOL FOR STUDENTS WITH A POSITIVE TEST

1. POSITIVE TEST!

Whether it is a Rapid test or a PCR test, a positive COVID test must be reported to the school via our reporting email: SJAStopCovid@saintjoanantida.org.

2. STAY HOME!

Get lots of rest, fluids, and take care of yourself.

3. RETURNING TO SCHOOL

Five days after a positive test, a student may return to school as long as symptoms are improved without medication, ex:

Tylenol, ibuprofen.

You do not need a negative test to return to SJA.

4. COVID SAFETY AT SCHOOL

For students returning to school after a positive test, they will be given instructions on proper mask usage and will have lunch in the library for five days to limit exposure to others. Students will work with teachers to catch up on missing work.

Save the date for our COVID/Flu Vaccine Clinic on Jan 21!
