January 13, 2022

Good afternoon DCS family,

It's hard to believe that we are nearly halfway through the school year. Students and staff are working hard to finish this grading period strong!

There are a couple of important calendar items we want to reiterate. There will be no school on Monday, January 17 in observance of the Dr. Martin Luther King, Jr. Holiday. Please also note there is no school for students on Friday, January 21, and Monday, January 24. Please see the revised [2021-22 Calendar here](#). Also, the [2022-23 Calendar](#) was approved in the January Board of Education meeting. You may view that calendar [here](#).

The CDC and NCDHHS have made additional changes to the [StrongSchoolsNC Toolkit](#). The updated toolkit may be found on our [Safe & Secure page](#) of GoDavie.org. The Board of Education voted to continue with required masking through January in all schools. As always, we will continue to monitor the situation and make changes as needed. Please continue to visit our [COVID Dashboard](#) for up-to-date information on positive cases and quarantines. Thank you for your continued support as we work through this together. Together we are stronger for our students.

Please also stay tuned for important weather updates next week. We are watching this system closely and will communicate potential delays or closings as soon as possible. You may view our [Inclement Weather page here](#), on the Families tab of GoDavie.org.

Thank you and have a wonderful long weekend!
