**NEWSLETTER**

January 14

Dear Gull Lake Families and Staff,

This week we recognize the significant contributions of our Board members. Collectively, our GLCS School Board acts as one entity to ensure that the district thrives in all seasons and serves kids and stakeholders in an optimal way.

Our Board members bring many gifts to the table and come from many walks of life. They have consistently supported quality programming, comprehensive offerings, and have encouraged innovations that keep us on the cutting edge in preparing all students for a successful future.

As we celebrate Board Recognition month, we are grateful for the caring and competent stewardship our Board exercises on behalf of our school community. Thank you GLCS Board for your service!

Best wishes for a Happy New Year!
