1. Welcome/Approval of last month's minutes (1 minute)

- a. Motioned by: Stacie Dorius
- b. Seconded by: Celeste Floyd

2. Archery – Erika (15 minutes): Erika has reached out to Levi and Endeavour will be the main school she will help with. We need to do a fundraiser to try and get funds to bring it here.

There are other spring clubs that will be using the gym so we will need to work around all of those schedules.

Clubs like: Dot and Dash, and Lego Club.

We are looking for staff to oversee some of these clubs. Archery will take time to raise funds and get the equipment we need to run the Archery club.

Once we get the funds Erika would like to get the anchor sets.

Cindy is going to put a QR code on the website for archery and the school play.

By next month we are hoping to have enough funds to get the archery equipment.

3. School Play – Stacie (15 minutes):

We are going to push it to next year and hoping to move it to fall.

Expenses: \$800 for the license

Estimated costs are about \$3,000.

Look into fundraising or donation.

Stacie will investigate finding a director for the play.

Cindy will investigate making a QR Code for after school programs. We can put it on the school website

The after-school programs must have one teacher run it and Endeavour is working to find those.

4. Pick up/drop off procedure questions – Lisa (5 minutes)

We are asking parents not to flip a U-turn on the road and come back.

There are no crosswalk lines on the southeast side of the school where the crosswalk is.

James is looking into seeing if the police dept can come to help with traffic for a while.

5. Other:

Fundraiser: Twisted Sugar

Donation from the Floyd family to cover the expenses for the school play. (THANK YOU!!)
