

APPENDIX A

COST SAVINGS AND EFFICIENCIES FOR FISCAL YEAR 2020-2021

TOTAL ANNUAL SAVINGS TO-DATE OF: \$128,708

\$19,268 Cable Advisory Grant: One of the high school teachers, Jeremy Iverson, applied for and received a grant from Cable Advisory Grant. The grant is to be used to purchase production equipment for the film courses and production room. This reduces the amounts that would be funded through the general fund.

\$49,245 Pegpetia Grant: Jeremy Iverson also applied for and received a grant from PEGPETIA. Current advancements in video technology have overstepped the abilities of the current computer systems in use. In order to maintain effective practice in post-production, the editing systems must see an enhancement. Utilizing a new computer system with a better integrated graphics solution, greater allocations of available RAM, and a faster multi-core processor, will not only maximize productivity, but will satisfy the needs of the program in the immediate future. This will effectively allow students to work at a more rigorous level. Time management and project completion will also be impacted, affording students more time in developing advanced skills during the production process. This reduces the amounts that would be funded through the general fund

\$19,032 E-Rate Credits: The District's application for E-Rate credits is approved. The amount reflects discounted invoices for the CEN – state provided internet connection.

\$28,339 Polycarbonate and Sheet Dividers for Social Distancing: The District's building maintainer has constructed approximately 113 protective barriers since March of 2020 for the classrooms and offices. The District orders polycarbonate and Randy Joiner skillfully measures, cuts and stabilizes the units for a custom fit. This includes science labs, offices and classrooms. Randy has also installed 41 curtain dividers in the District when more appropriate than a solid structure. The savings is estimated considering the cost of the polycarbonate and the estimate purchase of fully constructed dividers.

\$5,000 Math Textbooks: Dameon Kellogg, the Math Department chairperson consistently searches for used textbooks to replace lost books or fill enrollment needs.

\$7,524 Reduced Trash Pickups: The Director of Facilities, Steve Martoni, negotiated a revised schedule for trash pickups at all three buildings, saving \$1,254 per month. Less trash is generated without full cafeteria service and the hybrid/shortened day schedule of students.

\$300 DMV fees: The Facilitites staff reviewed motor vehicles fees for registering our vehicles and obtained a waiver as a municipal agency.

There is a detailed history of the District's efforts to save dollars and operate efficiently. This information is posted on the District's website:
