

CTE Front Yard Scavenger Hunt

Objective:

In lieu of our annual Winter Family Fun Night, we invite you join us in a Front Yard Scavenger Hunt! We hope this will allow you to get creative with your family and then get outside to get active! Starts Saturday January 15th-21st!

Directions:

Step 1: Find items in your house that you feel comfortable leaving in your yard for a few days.

Step 2: Hide the items in your front yard. Make sure they are easy enough to find for someone walking on the sidewalk or driving in the street. (Not behind a bush)

Step 3: Write your items on the paper provided. Write big and bold so you can read it from the sidewalk or street.

Step 4: Talk a walk or drive around with your family and friends to see how many items you can find!

Tips:

You do not pick up or keep anything you find. Leave it so others can have fun too. Stay on the sidewalk when searching.

Check out other neighborhoods.

Tell your friends if there are any houses with funny items or themes.

Remember this is not a competition you do not need to write down how many items you found but it is fun to tell your friends! ;-)
