	10:00 – 11:20	Chemistry SL Paper Two	75	Examination Room

	**13:20 – 15:00	Art – Exhibition Component – Final Outcomes	100	Art Room

Notes: Students should note when morning and afternoon examinations begin and ensure that they are in School at least 30 minutes before that time in order to ensure that the examinations may begin on time.

Toilet breaks are not permitted during examinations and students may not, under normal circumstances, enter the Examination Room *after* an examination has begun, nor leave an examination *before* the scheduled conclusion time and until formally asked to do so.

Food and drink may not be brought into the examination room under any circumstances **apart from still water in a clear, plastic container which is always kept on the floor next to the Examination Desk.**

No items of value, including any communications devices, may be brought into the Examination Room. Bags containing any items of value should be deposited in Room 236 or in personal lockers.

Students must bring an HB or 2B pencil to all multiple-choice questionnaire examinations together with their own eraser.

It is students' own responsibility to provide sufficient batteries for their calculators – this is not a school responsibility and the School would not normally carry spare batteries for this purpose.

Any items used for writing in an examination must be brought into the Examination Room in a clear plastic bag or container.

Students whose first language is *not* English may use an approved translating dictionary for all group three, four and five subject examinations but this dictionary must be checked and approved by me at least 24 hours prior to the first examination in which it is intended to be used and must then remain in the Examination Room.

All wrist watches must be removed in the Examination Room and placed on the floor next to the examinee's desk.

Students should also be aware that they are **not** required to attend Home Group meetings on any of the days of the examinations but absolutely *must* sign in when arriving at school and *must* sign out when leaving so that we always know how many people, and who, should be in the building.

* There is a short break between the two parts (reading and writing) of all Language B examination papers.

**** Please note the addition of Art on Friday 21st January, 2021. It is essential that all Art students avail themselves of this day where they can expect to be working, intensely, in the Art Rooms under the specific direction of the Art teacher..**
